SRI VELLAPPALLY NATESAN
COLLEGE OF ENGINEERING

ABOUT THE COLLEGE

Sri Vallappally Natesan College of Engineering is a new generation engineering college promoted by Sree Gurudeva Charitable and Educational Trust. SVNCE aspires to provide engineering education of an international standard of excellence to the students. SVNCE envisages a next generation institution, governed on modern lines with a system, consisting of board of directors, advisors, faculty, staff, student committees, advisory councils etc.

INVITATION

Dear Sir,
S.V.N.C.E is organising the IEDC Summit 2017 on Nov 7th 2017 at Seminar Hall of the college. The Innovation and Entrepreneurship Development Centres are small incubators physically available at all engineering polytechnic, management and arts & science colleges.

The students along with their studies can pursue entrepreneurship and work on their idea to develop the prototype. The students having a product idea can develop the prototype from the fab labs available at Trivandrum (Techno Park) and Ernakulam (Technology Innovation Zone). In IEDC's there are 100 of youngsters who have the thrive to change the world.

We kindly request you to be part of the IEDC Summit 2017.

Sincerely
Asst.Prof: Rahul Vamanan
